

## 9th Annual Meeting

We invite you to attend the Ninth Annual Meeting of the NORTHEAST AQUATIC PLANT MANAGEMENT SOCIETY. Our planning committee has compiled a full program of informative presentations and poster displays on cutting edge aquatic plant management issues for the region. As in the past, several exhibitors will be set up to better acquaint you with their products and services. Recertification credits will be available for a number of Northeastern states for Certified Applicators. This year our Aquatic Plant Workshop is all new, with Barre Hellquist rising to the challenge of a slightly revamped format. It will be a "must see," to be sure! A Social Hour and Banquet Dinner will close out our day on Tuesday. Awards will be given to recognize several individuals in our membership during our banquet. Wednesday will feature another line-up of exceptional technical presentations and Industry Updates.

Your conference registration fee includes the full two-day program, continental breakfast each day, two lunches, coffee breaks, Reception hors d'oeuvres, and Dinner Banquet.

We are again offering a Presidential Reception on Monday night (the evening before our meeting starts) thanks to the generosity of our sponsors. Please plan to join us from 7:00 to 9:00pm for a light buffet and cash bar.
